Commemorative Clinic**

Financial Statements

March 31, 2023

Independent Auditor's Report

To the Members of

Barbra Schlifer Commemorative Clinic

Qualified Opinion

We have audited the financial statements of **Barbra Schlifer Commemorative Clinic** (the Organization), which comprise the statement of financial position as at **March 31, 2023**, the statements of operations, changes in net assets and cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at March 31, 2023, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the Organization derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the organization. Therefore, we were not able to determine whether any adjustments might be necessary to the donation and fundraising revenue, excess of revenues over expenses, and cash flows from operations for the years ended March 31, 2023 and 2022, current assets as at March 31, 2023 and 2022, and fund balances as at April 1 and March 31 for both the 2023 and 2022 years. Our audit opinion on the financial statements for the year ended March 31, 2022 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Barbra Schlifer Commemorative Clinic

Independent Auditor's Report

Page 2

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Barbra Schlifer Commemorative Clinic

Notes to Financial Statements

March 31, 2023

Barbra Schlifer Commemorative Clinic is a non-profit organization incorporated without share capital and is a registered Canadian Charitable organization and is exempt from income taxes under Section 149 of the Income Tax Act. The primary focus of the Clinic is to provide free legal, counselling, interpretation, information and referral services to women who are survivors of violence.

1. Significant accounting policies

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. The significant accounting policies are summarized as follows:

a) Cash and cash equivalents

Cash and cash equivalents are defined as cash on hand, deposits in bank, and short-term investments which consist of term deposits.

b) Financial instruments

Financial instruments

The Clinic initially measures its financial assets and liabilities at fair value. The Clinic subsequently measures all its financial assets and liabilities at amortized cost, with the exception of short-term investments, which are measured at fair value. Changes in fair value are recognized in net income.

Financial assets measured at amortized cost include cash, short term investments and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable, accrued liabilities and deferred revenue.

The Clinic does not have any financial liabilities measured at fair value and has not elected to recognize any financial liabilities at fair value.

Transaction costs

The Clinic recognizes its transaction costs in net income in the period incurred except for financial instruments that will not be subsequently measured at fair value. The carrying amounts of these instruments are adjusted by the transaction costs that are directly attributable to their issuance.

Barbra Schlifer Commemorative Clinic

Notes to Financial Statements

March 31, 2023

1. Significant accounting policies (continued)

c) Prepaid expenses and deferred charges

Prepaid expenses and deferred charges consist primarily of deposits and costs incurred prior to special events and meetings held subsequent to year end. The remaining balance consists of prepaid rent, insurance and lawyers professional indemnity.

d) Capital assets

Equipment purchased with government funding and United Way funding are amortized 100% in the year of acquisition in accordance with funding guidelines. Equipment purchased from unrestricted revenue are capitalized and amortized over the estimated life of the asset.

e) Revenue recognition

The Clinic follows the deferral method of accounting for revenue. Grant revenue is recorded as revenue in the year earned. Externally restricted contributions are deferred and recognized as revenue in the year in which the related expenses are incurred. Donations are recorded as received on a cash basis since pledges are not legally enforceable claims. Fees for services revenue is recognized as services are performed and fees are invoiced.

f) Measurement uncertainty

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Significant items subject to such estimates and assumptions include valuation of accounts receivable, accrued liabilities and deferred revenue. Actual results could differ from those estimates.

g) Donated services

The work of the Clinic is dependent on the services of many volunteers. Because these services are not normally purchased by the organization and because of the difficulty of determining their fair value, donated services are not recognized in these statements.

Barbra Schlifer Commemorative Clinic

Notes to Financial Statements March 31, 2023

2. Cash and cash equivalents

	2023	2022
Cash held in bank - at cost	\$ 806,852	\$ 1,204,301
Term deposits - at fair value	2,002,500	2,000,000
	<hr/>	<hr/>
	\$ 2,809,352	\$ 3,204,301

The term deposits are non-redeemable bearing interest from 0.60% to 4.75% with maturity dates from March 30, 2024 to October 11, 2024.

3. Deferred contributions

Deferred contributions represent unspent externally restricted funding received by the organization related to activities of the subsequent period or specific projects which extend beyond the current fiscal period.

	2023	2022
Balance, beginning of period	\$ 1,122,880	\$ 1,525,326
Add: amounts received during the year	5,150,880	4,970,330
Less: amount recognized as revenue during the year	(5,518,308)	(5,372,776)
	<hr/>	<hr/>
Balance, end of period	\$ 755,452	\$ 1,122,880

4. Restricted and designated funds

Maintenance and Continuation Fund

The Maintenance and Continuation Fund is an internally restricted and designated fund, used to ensure, in the event of cessation or rapid curtailment of operations, that ongoing and termination expenses could be met in an orderly and responsible fashion.

FREEdom from Violence Fund

The Board has designated a fund for the purpose of Feminist Research, Engagement and Evaluation. This investment over the next number of years will use evidence-based data to determine the needs of women suffering from abuse, and the impacts and the outcomes of various programs designed to meet these needs. This will be a comprehensive and integrated process that will be systematized so that all parts of the clinic are continually providing best practices.

Barbra Schlifer Commemorative Clinic

Notes to Financial Statements

March 31, 2023

4. Restricted and Designated Funds (continued)

Intake and Client Services Fund

Much of the work of the clinic is funded by individual project grants. While there is some funding for the direct legal, counselling and interpretation services, the process of responding immediately to clients with complicated needs is often underfunded. The board is thus designating a fund that can be specifically used for intake and for special client circumstances.

5. Lease commitments

The Clinic renewed its operating lease of occupied premises for an additional five year term ending December 31, 2026. The obligation including estimated occupancy costs and HST until the end of the lease are as follows:

2024	\$ 272,957
2025	276,898
2026	279,854
2027	209,891
	<hr/>
	\$ 1,039,600
	<hr/>

6. Revenue - Government grants

Ministry of Labour, Immigration, Training and Skills Development (Note 9)	\$ 735,191	\$ 708,059
Ministry of Children, Community and Social Services - Community Program (Note 10)	604,015	604,015
Ministry of Children, Community and Social Services - Family Court Support Worker (Note 11)	242,500	-
Ministry of the Attorney General (Note 12)	462,000	693,250
Ministry of Health	385,413	365,413
Women and Gender Equality Canada	746,441	340,000
Department of Justice Canada (Note 13)	462,739	216,685
City of Toronto	112,765	152,944
	<hr/>	
	\$ 3,751,064	\$ 3,080,366
	<hr/>	

Barbra Schlifer Commemorative Clinic

Notes to Financial Statements

March 31, 2023

7. Financial instruments risk exposure

The Clinic is exposed to various risks through its financial instruments. The following analysis provides a measure of the Clinic's risk exposure and concentrations at the statement of financial position date.

Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Clinic's main credit risks relate to accounts receivable, however the risk is limited due to the nature of its accounts receivable. Contributions are not recorded in receivables unless collection is reasonably assured. The Clinic has not had issues with these collections in the past. The allowance for doubtful accounts is \$Nil (2022 - \$Nil).

Liquidity risk

Liquidity risk is the risk that the organization will encounter difficulty in meeting obligations associated with financial liabilities. The Clinic is exposed to this risk mainly in respect of its accounts payable. The Clinic expects to meet these obligations as they come due through sufficient cash flow from operations. The Clinic has not had issues with meeting obligations in the past.

There has been no change in risk assessment from the prior year.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. Due to the nature of the Clinic and the type of financial assets and liabilities that it carries, the Clinic is not significantly exposed to currency risk, interest rate risk, or other price risk.

8. COVID-19 and Government assistance related to COVID-19

On March 11, 2020, the World Health Organization declared an outbreak of a novel coronavirus (COVID-19) as a global pandemic, which has led to a significant impact on the Canadian and global economies. The full impact of the Covid-19 outbreak continues to evolve at the date of this report. Management has proactively taken steps to continue delivery of programs and services during the pandemic ensuring the safety of all staff and participants.

Barbra Schlifer Commemorative Clinic

Notes to Financial Statements March 31, 2023

8. COVID-19 and Government assistance related to COVID-1 (continued)

The organization has applied for and received Government assistance related to the COVID-19 pandemic under the Canada Emergency Wage Subsidy (CEWS) program and the Canada Emergency Rent Subsidy (CERS) program. The CEWS program provides varying wage subsidy rates based on government outlined subsidy periods commencing March 15, 2020. The CERS program provides a subsidy to cover part of commercial rent and property expenses commencing September 27, 2020. For the fiscal year ended March 31, 2023, the organization was eligible for \$Nil (2022 - \$109,762) in subsidies from the CEWS program and \$Nil (2022 - \$12,321) from the CERS program which are recognized in the statement of operations.

9. Ministry of Labour, Immigration, Training and Skills Development

Funding received from the Ministry of Labour, Immigration, Training and Skills Development is to provide language interpreter services for victims of domestic violence and/or sexual violence including human trafficking who do not speak English or French or who are Deaf or hard of hearing for the year ending March 31, 2023 are as follows:

Funding received	\$ 735,191
<hr/>	
Expenses	
Salaries	257,916
Benefits	43,658
Interpreter remuneration	306,096
Interpreter travel	11,083
